		OCA 21-2280
Victim BURKMAN, BRANDI WYNNE	Offense GENERAL INFORMATION	Date / Time Reported Thu 09/09/2021 19:42

THE INFORMATION BELOW IS CONFIDENTIAL - FOR USE BY AUTHORIZED PERSONNEL ONLY

On 9/9/2021 at approximately 1942 hours, I Officer Lalonde along with my FTO Officer Nordeen, were dispatched to 300 S West Dr, Leander Texas for a Town Meeting regarding obscenities in a book.

Upon arrival, Cpl. York advised there were parents who had concerns that needed to be addressed. I then made contact with Brandi Burkman who was identified by Driver`s License and Perla Hopkins who was identified by name and DOB.

Brandi advised she was concerned about obscenities in a book her 16 year old son was given for a school project and she advised her and Perla were kicked out of the school board meeting due to them addressing their concerns. Brandi advised some of the quotes from the books are "What if I told you I touched another guy`s dick", "what if I told you I sucked it?", " I was ten years old, but it`s true. I put Doug Gable`s dick in my mouth". Brandi advised the book is referencing 4th graders performing sexual acts, pedophilia, and molestation.

This book has been addressed in the school board meetings and is published all throughout LISD schools. I advised Brandi she needed to speak with the school board or superintendents to get this book taken out of the schools.

There are no charges and both Brandi and Perla insisted they wanted a report documented. This is a general information only report.

Upon asking both Brandi and Perla if they would be willing to complete a Voluntary Statement, they both agreed and completed statements. Copies of the statements will be attached.

The following officers were on scene during the initial investigation Officer Lalonde, Cpl. York, Lt. Lauden and Officer Nordeen. As primary investigating officer, I created a case in L3 and Evidence.com and attached videos from the following officers Officer Lalonde, Cpl. York, Lt. Lauden and Officer Nordeen. The following on scene officers did not have any video for the following reason(s).

On 09/09/2021 I was working as security for the Leander ISD Board Meeting along with Corporal Jason York. While in attendance there was an incident as noted in CFS #21091161, where I documented the following: "While working LISD Board Meeting, a speaker took an extended period, well beyond "normal" amount of time, setting up signs/props and having others come up to hold additional signs. After her allotted 3 minutes of public comments she continued to speak beyond the time. School district personnel walked to the lecturn she was speaking at and advised her she needed to stop, and the board president called a recess due to the interruption of the meeting. She was advised by school district personnel that she would then need to leave the meeting and requested my assistance. I spoke with the woman and asked her if she woulf step outside and speak with me. I attempted to explain the disruption of meeting law and that there were better venues for the issues she had with the school board staff, but as the school district personnel advised she had to leave because of the disruption she should stay outside the meeting tonight. I provided my name and desk phone number for any follow up she has in the following week. No enforcement actions taken.[09/09/21 21:45:20 Unit:LT3]"

While speaking with that citizen regarding the disruption, a different citizen spoke with Corporal York regarding the content of a book that her son had gotten at school. Corporal York called Officers Lalonde (Probationary Police Officer) and Nordeen (Field Training Officer) to the LEO Center to take a general information report.

My involvement was minimal in the receipt of that report, but I did advise at the time that the report would be a general information report and the department would follow up to see if the prosecutor`s office would take the report.

On 09/13/2021 I spoke with CID Sergeant Allan Jones, who advised that CID had gotten the opinion of the prosecutor`s office recently on the same matter. I asked if he could reach out to see if anything had changed, and received the following email:

"Upon reviewing the case, because the book was approved by LISD and voted on by the school board, Texas Penal Code 43.24 provides an affirmative defense to prosecution under (c). Therefore, there is no legal action Leander PD can enforce unless a decision is rendered by the Texas Attorney General that the material is obscene and violates 43.24 or a decision is render by the Texas Supreme Court stating the facts are illegal.

However, should any complainant want to further address the matter, the only suggested recourse is to take civil action against LISD and/or address the issue with the school board."

Based on the opinion of the prosecutor`s office, this case should remain inactive.

On September 1, 2021 I asked my 16 year old son and 14 year old daughter for the books they picked up from the shelves in their classes at Leander High School. I began reviewing Lawn Boy, that my 16 year old son had chosen when the teacher asked kids to pick books. My son thought it was going to be about a kid mowing the lawn at Disneyland. Due to discovering inappropriate content in the spring of 2021, I feel the need to review all the reading material USD provides in their ELA classrooms. I found many examples in the book that would be considered obscene per Texas Penal Code 43.23. I shared with my son some of the content and he was shocked, sickened, and thankful I read it before he unsuspectingly read the sexually graphic material. On pg. 19 "at a church youth group meeting, out in the bushes behind the parsonage, I touched Doug Stables' dick, and he touched mine. In fact, in there were seven mouths involved." On pg. 91 "What if I told you I touched another guy's dick?" "What if I told you I sucked it?" "I was ten years old, but it's true. I put Doug Stables' dick in my mouth." "I was in 4th grade. It was no big deal." "He sucked mine too." On pg. 174 "He talked about old times at the church but never mentioned our penises... but not a single reference to holding or tugging or sucking dicks." "all I could think about while he was chatting was his little salamander between my 4th grade fingers, rapidly engorging with blood."

The obscenity is rampant in the district. My son was so glad that protected him from having to read this material. He would have had to stand in front of his class and present on this book. I am constantly monitoring the material the district has purchased and are distributing to our kids. I am

(Continuation of front page) aware of the atrocities so will do what I can to protect my children's minds. I'm worried about the other kids with parents that may not be aware.

The content of sexual acts between 10 year old kids also normalizes pedophilia. My son knows that this is a crime. Again, with others, why are kids being given reading material about pedophilia? I have a 4th grade daughter too but I withdrew her from LISD & moved her to a private Christian school to protect her mind. Content like this is no where to be found.

Sexual acts among 4th graders would likely result in a call to police. This could mean a child had been molested. Why is this sex act repeated so often in this book and the character even uses the term "normal" when mentioning it.

My name is Perla Muñoz Hopkins. My family and I have been harrassed by Leander ISD personnel since our moving to Leander in 2017. In particular after severe attacks to include discrimination and retaliation, I have been attending School Board Meetings since 16 MAY 2019. At every attempt to advocate for my family, LISD has continually harrassed and taken it out on my kids and or myself verbally, through writing, official grievance responses mocking me about English or other curriculum, correcting my English, denying my child equal opportunity in education programs, denying both myself and husband EEO, giving my son anti-religious (rhetoric) assignment despite my letters opting my children out of pornographic, self mutilating deprecation, anti-Christian, anti-Catholic, racial slurs, child rape, gang rape, discrimination. Not 2 days after submitting the form, principal has confirmed he only shared with his Boss/District. I was posted and called a pedophile by a Carol "Yaway" (she is said to be a Christine Acheson possibly ANTIFA) she posted that I sexualize my children. Adelita Chingona (Erica Sanchez Zertuche) commented she is/was PTSA President Rouse HS on USD Equity Task Force headed by Board Gloria and Dr. Gearina, a Katie Ibarra called me a stupid pendeja, same terminology/curse words used by Board Gloria. The fake account Yaway is linked to other Board life smith and the PTX USD Council. Katie Ibarra is possibly Katherine Schaeffer (SPD), I didn't know she was a real person until she assaulted a parent on 23 AUG 21 SBM. I attended 26 AUG 21

Leadership continues to harbor know agitators that are part of their committees and boards. I had to get attorney to cease desist Christine Acheson who served on their Curriculum Book Review (CCAC). The retaliation have crimes continue b/c I will advocate for all the children not just mine, given pedophilia. I have been to House, Senate, SBOE, SBMC. Yesterday Graham did not allow me to be eye witness with parent for on evance, though I was providing the recording as evidence. Today I am told by officer that I went 10secs over as I tried to finish my thoughts b/c of the gravity of the offenses against an entire community of learners and their guardians. I am but one of the families that are extremely affected by them. The harassment includes today Mr. Russell Bundy putting his hand(s) on me. I asked him not to. It wasn't until they called recess, b/c I went over 10secs, once they broke and we were all fairly quiet I started talking to who was in the room, that is when I was escorted out and kicked out. I asked Mr. Graham if I was being arrested or for what exactly I was kicked out. I was told same thing they own the building/rights. I press charges for the child abuse, discrimination, pedophilia, practicing psychology on our kids in uncontrolled settings, and for ASD Leadership retaliation, harassment, and discrimination. I press charges for putting hand(s) on me and treating me as a criminal. I have file on LEP b/c all of this is direct to my family (and + fear Antifa)
