

### Request for Library Materials Reconsideration

The North Hunterdon-Voorhees school board has delegated the responsibility for selection and evaluation of library resources to the school library professional staff, and has established reconsideration procedures to address concerns about those resources. Completion of this form is the first step in those procedures. If you wish to request reconsideration of library resources, please return the completed form to the principal's office.

What is the title of the item? Gender Queer  
Who is the author or producer of the item? Maia Kobabe  
What brought this item to your attention? My Son  
Have you personally examined the entire item?

- Yes                               No (Which sections did you review?) \_\_\_\_\_

What are your concerns about the item? There are images of pedophilia and child pornography. There are images of children performing oral sex on each other, images of masturbation, and an image of a man nude, touching a boy's penis. Visual illustrations containing child pornography are deemed illegal under federal law. These may include photographs, videos, digital downloads, images produced to depict an actual minor, underdeveloped film, and video and electronically stored data.

What resources do you suggest to provide additional information or other viewpoints on this topic? Look up NJ law on child pornography as well as the federal law. The school and the librarian Martha Hickson are guilty of distribution of pornography to children

What action are you requesting the district consider? This book needs to be removed asap as well as those responsible for purchasing this book and distributing it to the library need to be investigated and charged accordingly.

What is the title of the item? All Boys Aren't Blue

Who is the author or producer of the item? George M Johnson

What brought this item to your attention? I looked it up on the media center website from NHHS

Have you personally examined the entire item?

Yes

No (Which sections did you review?) \_\_\_\_\_

What are your concerns about the item? This book uses explicit language between minors performing masturbation, oral, and anal sex acts as children. The content in this book is completely inappropriate for children. In fact, it is arguably illegal as it can be considered distribution of pornography to children. The school library has it listed as YOUNG ADULT reading level.

What resources do you suggest to provide additional information or other viewpoints on this topic? NJ Statute 24-4

What action are you requesting the district consider? I am requesting a full audit of NHHS school library as this is one of many books that need to be removed and those responsible for bringing this inappropriate material into it need to be investigated and charged accordingly under NJ Statute 24-4.
